Weight	24 lb	11 kg
Length	20 in	51 cm
Width	3 in	8cm
Pressure	1500-2000 psi	105-140 bar
Flow Range	7-9 gpm	26-34 lpm
Optimum Flow	8 gpm	30 lpm
Porting	6 SAE O-Ring	
Hose Whips	Yes	
Connect Size and Type	3/8 in Male Pipe Hose End	

Features and Benefits

Stanley's **CH18** chipping hammer, with "D" handle, is a light but powerful alternative to the air powered tools. Both the handle and tool holder end are shock and heat insulated for operator comfort.

Designed to be small and compact for confined working conditions, the **CH18** accepts standard 0.580-inch round collar steels.

Underwater models available. Refer to ordering information.

WARRANTY

Stanley Hydraulic Tools and their associated parts are warranted against defects in materials and workmanship for a period of twelve months from the date of purchase. Stanley Hydraulic Tools reserves the right to repair or replace only those parts which prove to have been defective at the time of purchase. This warranty becomes void if maximum flow and pressure ratings are exceeded.

All Stanley Hydraulic Tools, Parts, Accessories and allied equipment are subject to design improvements, specification and price changes at any time without notice and with no obligation to units already sold. Weights, dimensions and operating specifications listed herein are subject to change without notice. Where specifications are critical to your application, please consult Stanley Hydraulic Tools.
